SENATE BILL

No. 1414

Introduced by Senator Kehoe

February 19, 2010

An act to amend Section 321.6 of, and to amend, repeal, and add Section 1733 of, the Public Utilities Code, relating to the Public Utilities Commission.

LEGISLATIVE COUNSEL'S DIGEST

SB 1414, as amended, Kehoe. Public Utilities Commission: procedures: rehearings.

(1) Under existing law, the Public Utilities Commission (CPUC) has regulatory authority over public utilities and can establish its own procedures, subject to statutory limitations or directions and constitutional requirements of due process. Existing law authorizes any party to an action or proceeding, or any stockholder or bondholder or other party pecuniarily interested in the public utility affected by an order or decision of the CPUC, to apply for a rehearing with respect to any matter determined in the action or proceeding and specified in the application for rehearing. Existing law prohibits a cause of action arising

out of any order or decision of the CPUC from accruing in a court to a corporation or person unless the corporation or person has filed an application to the CPUC for a rehearing within a specified amount of time after the date of issuance of the order or decision.

~~Existing law provides that any application for a rehearing made 10 days or more before the effective date of a CPUC order as to which a rehearing is sought, shall be either granted or denied before the effective date of the order, or the order is suspended until the application is granted or denied. Existing law provides that, absent a further order of the CPUC, the suspension ceases after 60 days, the order becomes effective, and the party making the application is authorized to take the application as having been denied.~~

~~Beginning July 1, 2011, for an application for rehearing made 10 days or more before the effective date of the CPUC order as to which a rehearing is sought, this bill would delete the provision that the suspension ceases after 60 days if the application is not granted or denied before its effective date, thereby indefinitely suspending the effective date of the order until the CPUC either grants or denies the application.~~

~~(2) Existing~~

Existing law provides that if the application for rehearing is made less than 10 days before the effective date of the order as to which a rehearing is sought, and the application is not granted within 60 days, the party making the application is authorized to take the application as having been denied, unless the effective date of the order is extended for the period of the pendency of the application.

~~Beginning July 1, 2011, for an application for rehearing made less than 10 days before the effective date of the CPUC order as to which a rehearing is sought, this bill would require that the application be acted upon within 60 120 days. The bill would authorize the commission, by order, to extend the period for acting upon the application for rehearing, but would prohibit any single order from extending that period for more than an additional 120 days. The bill would authorize the applicant, beginning 61 days following the filing of the application, to treat the application as having been denied regardless of any order of extension, unless the effective date of the order as to which the rehearing is sought is extended for the period of the pendency of the application. The bill would provide that, absent the consent of the applicant, if the application is not acted upon within one year, the application is denied by operation of law.~~

~~(3)~~

(2) Existing law requires the CPUC to submit an annual report on the number of cases where resolution exceeded the time periods prescribed in scoping memos and the days that commissioners presided in hearings.

This bill would additionally require the CPUC to include data on the disposition of applications for rehearing in that report.

23 which request that information.

24 (b) Produce a complete accounting of its transactions and

14 is sought, shall be either granted or denied before the effective
15 date, or the order shall stand suspended until the application is
16 granted or denied; but, absent further order of the commission the
17 order shall not stand so suspended for more than 60 days after the
18 date of filing of the application, at which time the suspension shall
19 lapse, the order shall become effective, and the application may
20 be taken by the party making it to be denied.

21 (b) Any application for a rehearing made within less than 10
22 days before the effective date of the order as to which a rehearing
23 is sought, and not granted within 60 days, may be taken by the
24 party making the application to be denied, unless the effective date
25 of the order is extended for the period of the pendency of the
26 application.

27 (c) This section shall apply to an application for rehearing filed
28 on or before ~~June 30, 2011~~ *December 31, 2010*.

29 (d) This section shall remain in effect only until December 31,
30 2012, and as of that date is repealed, unless a later enacted statute,
31 that is enacted before December 31, 2012, deletes or extends that
32 date.

34 read:

36 more before the effective date of the order as to which a rehearing
37 is sought shall be either granted or denied before the effective date,

1 *of filing of the application, at which time the suspension shall*
2 *lapse, the order shall become effective, and the application may*

4 (b) Any application for a rehearing made within less than 10
5 days before the effective date of the order as to which a rehearing
6 is sought shall be acted upon within ~~60~~ 120 days. The commission,
7 by order, may extend the ~~60-day~~ 120-day period for acting upon
8 the application, but any single order shall not extend that period
9 for more than an additional 120 days. Regardless of any order of

11 *rehearing is sought is extended for the period of the pendency of*
